Sebaghar

- Sebaghar shall not be liable for any problem faced by technical crew which is not easily solvable.
- Since Sebaghar generates the link between the service recipient and the service provider, it has no direct influence over how the service is delivered.

- Foodpanda collects and discloses its users personal data in accordance with their privacy policy which is unfair because users do not know to whom they are disclosing.
- Foodpanda has no control over or affiliation with any third-party websites or links that harm the privacy of users.
- Users agree and give their permission for foodpanda to collect, use, process, and disclose their personal information, which again violates their right to privacy.

- Bkash do not take any responsibility of any third party websites whose links have been included in our site as to whether such websites use cookies or not which may not be safe for users.
- It is users responsibility to ensure that any products, services, or information available through their site meet their specific requirements which may cause privacy concern among users.
- Charges a fee of administrative or another associated cost to collect or change user data.
- For their marketing, quality control and training purpose they are not ensuring proper privacy of its users.
- Provides no guarantee that the platform is free of viruses or other harmful elements. Keeps data even after account deletion/deactivation.

- Banglanews24.com has no access to or control over cookies that are used by third-party advertisers.
- Its advertising partner automatically receive its readers IP address which is unfair.

General Criticism

- Might change, modify, add or remove the terms of services anytime without notifying the user.
- Takes no responsibility for third-party actions through their platform.

- Privacy policy and terms of use can be changed without prior notice to the customers.

- Pathao and its licensors have no liability, obligation or responsibility for any such correspondence, purchase, transaction or promotion between users and any such third- party.
- The agreement as constituted by the terms and conditions as modified from time to time may not be assigned by the user which is quite injustice.
- Pathao makes no representation, warranty, or guarantee as to the reliability, timeliness, quality, suitability, availability, accuracy or completeness of the service, application and the software.

- Shohoz takes no liability for any failure due to any breach of their terms.
- Third parties may also place cookies or similar devices on its website, which they cannot control.

- Bikroy gives consent to their provider of unmonitored links to websites from third parties.
- The validity and security of the third-party links on the website are not guaranteed by Bikroy.
- Bikroy makes no guarantees regarding the integrity or accuracy of the sellers using their platform.
- Bikroy disclaims liability for unsatisfactory services, which justifies their terms' unfairness.

- They do not guarantees the quality of any goods, services, details, or other materials that customers buy or obtain will satisfy their needs or that any mistakes in the service will be fixed.
- They don't take accountability and don't keep an eye on any third-party tools they provide.
- Any external links on their website are provided without their responsibility.
- They are not required to reply to comments.
- They do not guarantee the accuracy or dependability of any results that may be attained through the use of the service.
- They advise users to read the privacy policies of any third-party websites they link to from their website as they are not in control of those links.

MyBL Lite

- Banglalink cannot guarantee that third-parties will grant users similar level of data protection as they do on their website/app.
